

The Farnsworth Score

Detective Gabriel Wager . . . was going undercover as Gabriel Villanueva, dealer-on-the-make. He would be issued a driving licence in that name, a new Social Security Card, and everything else he needed, including a past as an ex-Texas ranch hand, and an ex-wife. . . He needed clothes, too--especially a hat, an expensive one. . . All this to help Wager close in on a man named Farnsworth: a dealer, so big he thought no-one could touch him. Wager was tough, and he knew he way around. But he didnt realize how much trouble lay ahead.
