

# A treatise against dicing, dancing, plays, and interludes; with other idle pastimes

This historic book may have numerous typos and missing text. Purchasers can download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1843 Excerpt: ...iuto such pouertie, that he was fayne to serue a baker in turning a querne, or handmill, to get his liuing, &c. Vespasian gaue out of his coffres sixe hundred pounce to Latine and Greeke readers: so did Plinie his nephew, the like, for the which they deserued greate fame, and encreased in great welth and riches. Youth. Doe you speake against those places also, whiche are made vppe and builded for such playes and enterludes, as the Theatre and Curtaine is, and other such lyke places besides? Age. Yea, truly; for I am persuaded that Satan hath not a more speedie way, and fitter schoole to work and teach his desire, to bring men and women into his snare of concupiscence and filthie lustes of wicked whoredome, than those places, and playes, and theatres are; and therefore necessarie that those places, and players, shoulde be forbidden, and dissolued, and put downe by authoritie, as the brothell houses and stewes are. Howe did the Beniamites ouercome and take awaye the daughters of Israell, but in watching them in a speciall open place, where they were accustomed, vppon the festiuall dayes, to sporte and daunce most ydelly and wantonly? D. Peter Martyr (that famous learned man) vpon this place sayth: Hereby we may perceiue, that the virgins gaue themselues to playes and daunces, which was to abuse the feast day: it had bene better for them to have occupied themselues about grauer matters; for the feast dayes were to this ende instituted, that the people should assemble together to heare (not playes) but the worde of God, to bee present at the sacrifices, where they shoulde both calle vpon God, and communicate together the sacramentes instituted of God. Wherefore, it is no

maruayle if these maidens were stollen  
away, resorting to such open place, &c.
