

The Authentic Actor: The Art and Business of Being Yourself

Every year, thousands of actors struggle to navigate today's film and TV business while also wanting to grow as performers, as artists. These actors tend to be risk-takers, mold-breakers, and are interested in defining who they are. They are looking for advice and guidance about art and about commerce. The Authentic Actor is for them. The actor's path today begins with two questions: Who are you? What do you know? Beginning with personal authenticity, The Authentic Actor reveals a holistic approach that fuses discovery of the actor's fingerprint with skills for managing performance, career, and life as artist, businessperson, and citizen.
