

Lizard Brains: a one act play

Synopsis: Corey has gone to great lengths to keep his relationship with Lisa away from any stated commitment his commitment is to his music/art and dreams of success. His actions have said something different, though. In living with Lisa as a partner and lover he has tried to have his cake and eat it too. Corey wants Lisa when it is convenient for him as well as his freedom without guilt. The play begins the morning after Lisa has appeared at a local homecoming gig of Coreys band. LIZARD BRAINS is an exorcism and effort for closure. Cast Size: 1 Male, 1 Female
