

Kitty Letters

Kitty Letters is the real story of two tabby cats, AJ and Teddy, and the fictional adventures of their alter egos, Catnip and Furball. AJ and Teddy belong to a military family. They traveled around the world with Lori and John making new friends, both human and furry. Lori tells you about the familys travels as they moved four times in seven years from California to Alabama, Korea, Turkey and Virginia. AJ and Teddy give you their version of the familys adventures, bringing Catnip and Furball to life.
