NOTICE: THIS DOCUMENT HAS BEEN REDACTED BY HOMELAND SECURITY For Immediate Release Handled Messiahs Public Relations Harry Martini, PRG DONJON RELEASES END-OF-THE-WORLD CAMPAIGN APOLOGIA In an effort to persuade voters in the 2012 presidential election to support his 2012 End-of-the-World campaign, DonJon Vonavich has released a compilation of his breath-taking oratory, cock-hardening political journalism, and award-seeking documentary graphics. The book, titled Moloch the Plutocracy ~or~ How the MoRevolution will sink the ship, break the bank, and fuck the trophy wife (or husband) of the 1%, is available in print and ebook format at fine online stores everywhere. DonJon is the Eccentric Publisher of Moloch the Plutocracy, a political pamphlet that supports the policies of Molocratic governance. He has also been nominated as the 2012 presidential candidate for the Molocratic Party, Americas only multi-level-marketing political party. Party members are offered New World Order Distributorships that pay residual income on unlimited Patriot Down-lines up to thirteen Colonial Levels deep, and can qualify for Brotherhood Recruiting Bonuses. At the printing of this book DonJon finds himself essentially homeless, hopelessly unemployed, and dependent on the Government Cheese. The timing could not be more perfect for a serious run for President, DonJon claims. This book is a primer for those that want to understand my political persuasions, provocations and postulations and support my dream addiction.
