

## Clear Lower Deck: A Collection of My Naval Yarns

Do you know where the expression grog comes from? Or what happened when the admirals parrot was seasick? Or why a gun-toting generalissimo in the Philippines distributed medals from a shoebox? Or have you heard about a cat called Oscar who was sunk with the German battleship Bismarck in World War II but survived to be sunk twice more in the ships which rescued him? The answers to these questions, and other true salty stories, can be found in this book by former Royal Navy officer Roger Paine, as he charts the ups and downs of life, both ashore and afloat. Together with recipes for rum punch and rum Christmas cake, plus the traditional RN toasts for each and every day of the week, this delightfully irreverent, and occasionally indiscreet, collection of yarns is here to be savoured and treasured. Shortlisted for a Mountbatten Maritime Media Award, 2010
