

Love Brought Me Back

To those on the outside looking in, Cardwell Street is a middle class neighborhood with nice families who live drama free. But behind closed doors, things aren't as peaceful as they appear. Meet Peaches, the gold-digger, Nefertiti, the abandoned housewife and the mechanic Eddie, who is trapped in a loveless marriage. Drama is happening in every home that will soon spill out onto the streets. Enter into the lives of the people on Cardwell Street. Witness their ups and downs, twists and turns, drama and explosive secrets in part one of the soap opera book series, Love Brought Me Back.
