

## You Want WHAT???: Concierge Tales from the Men and Women Who Make Las Vegas Dream Come True

Ding ... Every time the bell rings at a concierges desk, you never know the story that will follow especially in Las Vegas, City of Sin. Will a request be awkward and embarrassing or sweet and lighthearted? A concierge never knows until the ding.

You Want WHAT??? is a lighthearted glimpse into the lives of dozens of Las Vegas concierges. This collection of true stories range from sweet to sad to downright outrageous. Dont worry, we dont name names or get too explicit what happens in Vegas, stays in Vegas. For the most part, anyway. :) What stands out about this book and its collection of true stories told in the voice of various Las Vegas concierge is the complete lack of sarcasm. Its humorous and witty without having to resort to putting people down for their lack of knowledge or odd requests. Its that good-natured, upbeat, even professional approach to presenting these stories that make this book so likable. ~ Yiftach You Want WHAT??? entertainingly showcases Vegas concierges at their finest.
