

What The Heck Was Mantis in Lace?

How did a picture of Barack Obama boost sales of a 1960s sexploitation movie? Decades before, when William Rotsler filmed *Mantis in Lace*, there was no way he could have ever imagined his grind house flick would be the centerpiece of a photograph featuring the President of the United States. It just goes to show you, when the law of unintended consequences kicks in, someone will be around to record it. Take for instance the woman they called Americas Most Photographed Nude. What delightful happenstance led her to garner that label? What other famous people have naughty pictures in their pasts?
