

# Talking to the Dead

Isabel and Nina. Inseparable since childhood. Sisters. Nina struggles to earn her living as a photographer, and Isabel has just given birth to her first child. Bound together since childhood by the sudden death of their baby brother, they know too much about one another, and their knowledge could destroy their adult lives. When Nina embarks on an affair with her sisters husband the fuse is lit. As Isabel leans over her sons cot, or Nina tiptoes to the babys room, the past is alive and dangerous. Fast moving and compulsive, Talking to the Dead makes us believe both sides of the story until, in a climax of unbearable tension, the truth is revealed.
