

Digital Photos, Movies, & Music Gigabook For Dummies (For Dummies (Computers))

Introducing the most complete digital media reference available—more than 900 pages of fun and easy instructions and tips on digital photography, digital video, digital music, and CD and DVD recording. At under \$35, this value-priced book is the only single-volume digital media reference that covers such topics as choosing a digital camera, taking great pictures, and editing digital pictures. Covers printing and sharing pictures, selecting a camcorder, capturing good film footage, and importing video clips. Provides coverage of editing videos, buying music online, using playlists, syncing an iPod or MP3 player, and burning CDs and DVDs. Includes exclusive Dummies Man reusable peel-and-stick reference tabs that readers can use to mark their favorite pages.
