

A Pick 3 Indicator System

We are doing research into Pick 3 and Pick 4 indicator systems. The system in this book is the first fruit of a new approach. We give you the number group to use for indicator play and some directions about how to use the group. We also provide the results of back testing, indicating straight wins, so you can easily choose which states to play. We have to keep reminding ourselves that this is still gambling and that we can never know if we will win in the next drawing or not.
