

## Grandmaster Repertoire 7: The Caro-Kann

In chess the Caro-Kann opening is one of Blacks most reliable answers to 1.e4. It is a regular favorite of elite players, who know that computer-aided preparation now threatens the sharpest lines of the Sicilian or Ruy Lopez (at the very least with a forced draw). The Caro-Kann is less susceptible to such forcing lines Black sets out to equalize in the opening, and win the game later. Grandmaster Lars Schandorff reveals a bulletproof chess opening repertoire and lucidly explains how Black should play the middlegame and endgame.
