

## The Private Memoirs and Confessions of a Justified Sinner (The Penguin English Library)

With an essay by David Groves. He was constantly harassed with the idea, that the next time he lifted his eyes, he would to a certainty see that face, the most repulsive to all his feelings of aught the earth contained. A nightmarish tale of religious fanaticism and darkness, this chilling classic of the macabre tells the tale of Robert Wringhim, drawn in his moral confusion into committing the most monstrous acts by an evil doppelganger. James Hogg's masterpiece is as troublingly duplicitous as Wringhim himself, and was ignored and bowdlerized before becoming a hugely influential work of Scottish literature. The Penguin English Library - 100 editions of the best fiction in English, from the eighteenth century and the very first novels to the beginning of the First World War.
