

Balance Your Needs: A Personal Fulfillment Contract

Are you in balance with your needs? Well, Balance Your Needs: A Personal Fulfillment Contract, will guide you through the process of identifying your needs, as well as recognizing when your needs are not being met. Unfortunately, warning signs that signify when your needs are not being met, can be difficult to recognize while in a relationship. Thankfully, this book will help you write your own warning signs and incorporate them into a contract, so that you can recognize the warning signs when it helps you the most in the relationship. You will be shown, step by step, how to write your Personal Fulfillment Contract, that will include guidelines that you want to follow while dating and in relationships, in order to ensure that your needs are met. You will be given the tools you need, to help you recognize when relationships are not working out, so you will not be caught off guard, by The Talk, from your partner. Create a Personal Fulfillment Contract and make a commitment to yourself. Become responsible for! your own happiness.
