

## Ghost of a Chance

Smedly Floggharder is a villain of the worst (yes, worst) kind ... a banker with a heart of stone and a balance sheet for a soul. He owns everything in the peaceful little town of Beaver Crossing but the heart of the beautiful young May December....and he will have her by hook or crook! Will her greedy and vain mother April have the courage to turn her back on riches to save her daughter? Will handsome town constable Todd McValiant be able to save his beloved May from Smedlys evil clutches? Will grandmother June be able to talk sense into her daughter-in-law? Or is Mays only salvation going to be a Ghost Of A Chance? Melodramas are widely popular entertainment events! They provide excellent fund-raisers for any organization. They can be performed in church basements, school gymnasiums, dance halls, or any space large enough to seat a few people with space for a stage. They require a minimum of set pieces and furniture and can easily and inexpensively be costumed by a visit to a thrift store. Melodramas are sure to be a hit with your organization! This melodrama has been successfully produced in many theatre venues. A modest \$35.00 royalty fee includes one reproducible script with a 20 copy limitation and permission for unlimited performances for a 365 day period. A spectacular value when compared with other publishers royalty fees!
