

The Monster Book of Movie Monster Trivia

A mind is a terrible thing to taste - unless you're a zombie or some carnivorous monstrosity that feeds on Hypothalamus glands. If you know anything about evolutionary biology, you know why Dr. Greens (Penelope Ann Miller) initial idea to kill the creature in *The Relic* would have worked. Of course, were assuming you don't. Put your knowledge of all-things that creep, slither and crawl to the test with the only movie monster survival guide/quiz book of its kind. What will you do when they come for you? Live and learn. Learn and live!
