

The Exerciser

From those classic days of the 1970s comes this hilarious satire. A STORY OF FAT AND THE DEVIL This book has it all: the diets, the devil, witch-craft, religion, and one mans struggle to save his wife from the horrors of her own rapidly in-creasing bulk. Only the most extreme measures will save his beloved wife. Week after week she grows fatter and fatter, without benefit of knife and fork. Who can help her? When all else has failed, he must call in the powerful high priest of physical fitness and sensible eating Romaine LeLane, The Exerciser!
