Researching the Presidents of the United States is one of the most fascinating topics there is. By tracing the lives of these men we can see how this great country developed and the monumental decisions that were made by many individuals that shaped this nation. The discovery is like watching a movie that covers some 240 years. By just reading the brief historical sketches presented in this book, students can see many of the major historical trends while gaining an understanding of the social, economic and political issues that each President faced.
