

FASHION COOLHUNTING (Spanish Edition)

Este libro, es la primera recopilacion de cronicas escritas por el artista y autor Alex Ceball sobre moda, arte y diseno de productos, contenidas en el blog FASHION COOLHUNTING, con el cual se convirtio en el primer Fashion Blogger en lengua castellana, un fenomeno que hasta nuestros dias, se disparo con asombrosa rapidez convirtiendolos en lideres de opinion y al autor, en uno de los nombres fundamentales para entender la historia reciente de la moda iberoamericana y del resto del mundo. Junto al universo de la moda y las tendencias, el autor saca, en cada uno de sus articulos, un relato de su propia epoca paseando al lector por temas sociales, politicos y filosoficos de un sinnúmero de areas y temas, transformando su escritura en un autentico relato de los sucesos y nombres esenciales de la epoca contemporanea en un tono directo y sin pelos en la lengua, con el cual ha ganado casi dos millones de lectores y el reconocimiento internacional. En ese mundo cambiante, el autor revela y describe los entresijos desde los pasillos de las casas de alta costura a los de palacios de gobierno, y al mismo tiempo, el mundo real de la calle para entregar al lector una impresion general y personal de eso, un mundo cambiante, como la moda. FASHION COOLHUNTING.
