

# The Zombie Handbook: How to Identify the Living Dead and Survive the Coming Zombie Apocalypse

The Zombie Handbook is a must-have for anyone who wants to make it home alive. Jonathan Maberry, author of Patient Zero a few years ago, building an acid pit and stocking skull-splitting machetes would have been seen as an overreaction to the zombie threat. No longer! To survive the coming zombie apocalypse and it is coming you need to know everything about zombies and how to kill them. Thoroughly illustrated, this book is the definitive guide to zombies and all their blood-soaked traits, from feeding habits and dietary needs to sexual practices and political activities. The Zombie Handbook lays out your step-by-step plan of attack to not only survive the zombies assault, but to counter it and obliterate the army of the undead, including tips for: Zombie-proofing your home Setting lures and traps Choosing the best weapons Exploding their brains
